

# A Pathway to Leadership:

Educating, Elevating and Empowering Women

## National Women's Leadership Convention

### WHAT TO EXPECT?

The purpose of the National Women's Leadership Convention is to hold a conference for women of all ages, economic backgrounds and lifestyles. We believe in developing our leaders and the leadership of others. To ensure this purpose is fulfilled, we aim to accomplish the following goals:

- Encourage leadership by women within their own communities
- Provide information on issues that concern women and their families
- Provide educational opportunities,
- Increase awareness of resources available to women and their families
- Promote networking opportunities.

The convention will be filled with opportunities to network with others and engage in thought provoking discussions during workshop sessions. We hope that you will join us in Houston, TX and assist us in demonstrating the power and influence of women.

### WHO SHOULD ATTEND?

Any person interested in developing their professional leadership skills. There are two tracks for sessions on Saturday, June 21st: one for the Advance Professional and the Young Professional.
