

## THE WORLD CAN BE HOSTILE TO CHILDREN WHO NATURALLY DO NOT SATISFY GENDER STEREOTYPES.

*Our vision is that the world will be inviting to every child, regardless of gender identity and expression.*

Join us for a day this summer to create that vision.

### **Providers and Advocates** Friday, June 20, 2014

Inter-professional learning experiences tailored for educational, healthcare, mental health, social service providers, and advocates.

Plenary speakers and breakout workshops on social, legal, and medical affirming practices for gender-diverse children and teens.

CEUs Available!

### **Children, Teens, and Families** Saturday, June 21, 2014

A day of fun and learning for gender-diverse children, teens, and their families (and friends!).

Supervised activities for children and teens, with opportunities to re-connect with parents throughout the day.

Adults will learn the latest research and standards of care for these children and enjoy mutual support and guidance.

For more information including registration for either day and to see a list of sponsors, please visit:
