

Please join us for the upcoming meeting of the Houston Area HIV and Aging Coalition:

Friday, March 27, from 3 - 4:30 pm

at the Montrose Center, Room 112/113.

Ann Robbins,

Senior Public Health Advisor at Texas Department of State Health Services,
will be speaking about

The state of care in Texas for adults over 50 living with HIV

Ann has many years of experience in HIV prevention and care at the state level.
She is also a very popular speaker on these issues in the Houston area and around the state.
So, we are fortunate to have her come and share her expertise with us.
