National Title-IV-E-Journal

The purpose of this e-journal focuses on connecting Title IV-E programs in the United States to:

1. Promote greater public awareness of child protection
2. Create a channel to announce news related to child welfare and policies on city, state and national levels
3. Provide a larger pool of training opportunities for faculty, staff, practitioners and students, and
4. Establish a national network for Title IV-E faculty, staff, funders, IV-E partners, practitioners, students and alumni

We invite you to write about your Title IV-E successes, child welfare stories, curriculum designs, and IV-E partnership experiences to share and inspire other readers of this e-journal!
