

# UNIVERSITY of HOUSTON | SOCIAL WORK

GCSW students may wish to have business cards or calling cards to use as networking tools as they begin their careers.

However, it is a university-wide policy that only university employees can use UH stationary (which includes business cards, stationery, etc.).

To meet students' needs, Student Calling Cards are available for purchase from UH Creation Station <http://www.uh.edu/uccs> in the University Center. They were specifically designed for the needs of students and include UH logos and branding elements.

Here is more information about Student Calling Cards:

Please contact, Connease Warren the GCSW Communications Manager with any questions about the use of UH and GCSW logos and branding elements.
