

FEATURED POSITION

Family Therapist with sign-on bonus! (Lewiston/Auburn)

Become a strengths-based clinician as you strengthen families with behavior-challenged kids! \$2000 hiring bonus; two weeks of paid training in either Denver or Connecticut; your own furnished, private therapy office; land line, cell phone, and a laptop with a Verizon air card. Join a team of experienced family therapists based in our Auburn offices who are available for support and mentoring. We need 2 warm, compassionate clinicians who are independently licensed LCSW, LCPC, LMFTs, and available to work a flexible schedule, because you'll need to work late afternoons or evenings depending on the availability of the families. LMSW-cc and LCPC-cc are also acceptable licenses, and mileage is reimbursed. You'll work in both your office and the families' homes using therapy plans, ranging in length from 8 to 24 weeks. You will receive hands-on, weekly guidance & supervision as well. We want to set you up to succeed! Reduce risk by strengthening the family – apply today at spurwink.org/careers.

Live-in Residential Direct Care Team - Various Maine Locations

Spurwink Services is looking for teams of two individuals to live in a Spurwink home, be part of the treatment team for youth or adults, and teach them basic life skills, time and money management. Spurwink pays for housing, utilities and groceries, AND you'll earn \$75,000 - \$80,000 per year as a couple. We also provide you with a company vehicle to use during work hours. You will be providing continuity from day treatment facilities to the home, homework; guiding play time, meal time and bed time. You should be able to provide a nurturing environment, but have firm limit setting and behavior management skills. Many of our openings CANNOT accommodate couples wishing to bring their own children to live with them at the homes.

What does the ideal team look like? There is no set definition. Mother/daughter (over the age of 18), married couples or unmarried couples, partners, or friends are a few examples. As long as you qualify for the job, we want you to apply. High school diploma or GED required. You must have a valid driver's license, your own vehicle and a clean driving history for the past three (3) years. Placement depends on needs at the time of hire. Both members of the team must fill out separate applications. Relevant experience is helpful, but not necessary.

Occupational Therapy Assistant - Cummings Program (Portland)

Spurwink Services has an immediate opening for a Certified Occupational Therapy Assistant (COTA/L) at our Cummings Program in Portland. This is a two-day per week position. Experience with emotional, behavioral, learning challenges, developmental disabilities, and ASD/Spectrum diagnoses preferred. Maine licensure and appropriate certification necessary. View a complete job description at www.spurwink.org/careers!

Awake Night Counselor -Lewiston/Auburn

We are currently seeking a full-time Awake Night Counselor for our Southern Maine Programs. Schedules various but include shifts from 9pm-9am and 11pm-9am. Direct Care position to work with 6-20 year olds with an emotional, behavioral, and/or developmental challenge. High school diploma/G.E.D required; 3-year clean driving record required.

Education Tech III - Chelsea Program

Spurwink Services is seeking an Educational Technician III position in the day treatment program for our Chelsea Day Treatment School. Students have a wide range of severe emotional, behavioral and developmental challenges. Exact assignment will depend on skills and experience of applicant pool. The successful candidate will make therapeutic relationships and assist with the delivery of educational programming. Must learn to think clinically; set consistent, therapeutic limits; and work well within a team. Position includes regular school year and seven week extended year program. Applicant must have or be eligible for Educational Technician III certification through having completed 90 college credit hours.

Educational Technician III (TEMP) - Cornville Program

Temporary Educational Technician III position in the day treatment program of our Cornville staff intensive unit. Students have a wide range of severe emotional, behavioral and developmental challenges. Exact assignment will depend on skills and experience of applicant pool. The successful candidate will make therapeutic relationships and assist with the delivery of educational programming. Must learn to think clinically; set consistent, therapeutic limits; and work well within a team. Experience with students on the Autism spectrum a plus. Position includes regular school year and seven week extended year program. Applicant must have or be eligible for Educational Technician III certification through having completed 90 college credit hours.
