

Job Title	Therapist/ LPHA in Adult Mental Health Crisis Center
Employer/ Agency	Texana Center – Crisis Center, Rosenberg
Job Description	Under the direct supervision of the Crisis Center Manager, the LPHA performs clinical activities including independent assessments and service interventions as directed by the treatment plan and/or identified patient needs. In coordination with the RN on duty, and the psychiatrist, determines eligibility for admission to the Crisis Center (involuntary extended observation unit and voluntary crisis residential unit.) This position may provide assessments, crisis intervention, skills training, case management, case monitoring and psychotherapy in the Crisis Center. Monitors patients' progress with treatment goals to determine effectiveness of interventions until goals are achieved. Actively participates in patient staffing to determine best treatment for recovery. The position provides care to individuals with a mental illness and/or a co-occurring substance use/abuse diagnosis along with individuals with a dual diagnosis of mental illness and intellectual or developmental disability.
Qualifications	Masters Degree in psychology, counseling or social work. Full, independent license as LPC or LCSW, with 2 years mental health experience post masters.
