JOB OPPORTUNITY POSTING

Job Title: Renal Social Worker

Employer/Agency: Elik Dialysis Home Therapy

Job Description: The individual in this role is responsible for the oversight of psychosocial care and support of patients with chronic renal disease who are undergoing renal replacement therapy. Duties include: Orientation of the new patient and family to dialysis. Provide on-going psychosocial support to End Stage Renal Disease (ESRD) patients to help patients achieve an optimum level of functioning and utilize available resources. Address recurrent issues such as: insurance eligibility/coverage, transportation provisions, vocational rehabilitation, referral to and follow-up on transplant process. Responsible for record keeping and timely documentation. Attends patient care conferences and staff meetings on a regular basis. Serves as an active member of the facility Continuous Quality Improvement committee.
Other duties as assigned.

Qualifications: Current Texas state social work license (LMSW or LCSW). Some healthcare experience preferred but not required. May substitute practicum experience.

Salary/Hours: 32 hours (benefits negotiable)
