Job Title	LCDC for Adult Intensive Outpatient Treatment Program
Employer/ Agency	New Dimensions Day Hospital of The Woodlands
Job Description	New Dimensions Day Hospital in The Woodlands is growing and is looking for an experienced Licensed Chemical Dependency Counselor to join our team. The ideal candidate will have experience working with chemical dependency and dual diagnosis patients in a partial day or intensive outpatient setting. The position involves a combination of both clinical and administrative functions such as case management, group therapy, utilization review, and JCAHO and TCADA compliance.
Qualifications	Must have as a minimum a license as a Chemical Dependency Counselor (LCDC). Candidates with a Master's in Psychology or Social Work and licensed as an LPC, LMFT, LCSW, or Clinical Psychologist as well as the LCDC license are encouraged to apply. The successful candidate will have a strong clinical background in treating psychiatric disorders, addictions, and dual diagnosis patients. The ability to work afternoon and evening hours is a must.
Salary/Hours	DOE
Employer/Agency	New Dimensions Day Hospital of The Woodlands
City, State, Zip	Shenandoah, TX 77384
