

# DO YOU HAVE WHAT IT TAKES TO BE PART OF THE **ELITE TEAM?**

Elite Private Tutors serves local middle and high school students in all subjects, test prep, and much more. We deliver white-glove service, and have been featured in the Houston Chronicle, as well as on Channel 2 News. Our team consists of all Rice students who are at the top of their game. We also do video features of each of our team, and feature them on the website, unlike any other tutoring company in Houston.
