Graduate College of Social Work
JOB OPPORTUNITY POSTING**

Job Title: Director of Service and Experiential Learning

Employer/Agency: Iona College

Job Description: The Director of Service and Experiential Learning will ideally be a member of the faculty who works closely with various internal offices and external partners to coordinate and promote the integration of meaningful community service with academic instruction. He or she will be responsible to work closely with faculty in developing an integrated and comprehensive service-learning program consistent with the College's mission and strategic plan, including the identification, collection, cataloguing, assessment and reporting of student learning, experiences and learning outcomes. Applicants with appropriate teaching and research experience are encouraged to apply and will be considered for a faculty designation in an academic department relevant to their discipline.

Qualifications: An earned PhD or appropriate terminal degree from an accredited institution, in a field of study related to service-learning and community outreach is strongly preferred. A minimum of two years experience leading service-learning initiatives. Previous experience in teaching service-learning courses. Development of credit-bearing curriculum in service-learning. Experience in program coordination in a faith-based institution is strongly preferred. Excellent interpersonal and communications skills are required. Must be highly organized and proficient with MS Office suite.

Salary/Hours: DOE

Employer/Agency: Iona College

Address:

City, State, Zip: New Rochelle, NY

Application Method: Interested parties should forward materials including a resume, cover letter and the names of at least three references to:
