Opportunities for Visionary Educators

Aurora University - An inclusive community dedicated to the transformative power of learning.

Aurora University is a private, independent, comprehensive institution founded in 1893 offering Bachelor's, Master's and Doctoral degrees and committed to helping students discover what matters and build their lives around it. We serve nearly 5,000 undergraduate and graduate students on our two campuses, which are located in Aurora, Illinois, 40 miles west of Chicago, and on the shores of Geneva Lake in Williams Bay, Wisconsin. Additionally, we have an Education Center in Woodstock, IL. All positions listed here are located at the Aurora, IL campus.

We seek talented faculty who are passionate about teaching and learning and who will help us realize our vision. As a private institution, Aurora University expects faculty to be involved in the lives of students through mentoring, student support, enrollment initiatives, and other activities related to the college experience. To facilitate this highly interactive faculty/student relationship, the typical teaching load is three 4 credit-hour courses per semester and student advising is supported by professional staff. Evidence of successful teaching, or a strong potential for successful teaching, is required for all positions. Undergraduate faculty share in the delivery of the general education program, most often by teaching within the university's interdisciplinary core.
