POSITION ANNOUNCEMENT

The School of Social Work at Abilene Christian University invites applications and/or nominations for a tenure-track position in the Master of Science in Social Work Program. Rank is open, depending on the qualifications and experience of the candidate. Although the position is designated as primarily to the graduate program, the successful candidate will be expected to teach at both the graduate and undergraduate levels.

ACU's School of Social Work offers both the Bachelor of Science in Social Work (BSSW) and the Master of Science in Social Work (MSSW) degrees. The graduate program has a single concentration, Advanced Generalist Practice with an Evidence-Based Practice emphasis. Both programs utilize a capstone experience that emphasizes social work research, with the MSSW requiring a thesis.

The successful candidate should hold the Master's degree in social work from a CSWE-accredited or internationally-recognized social work program, and a doctorate in social work or a related field. ABD or MSW with outstanding practice experience (including teaching) may be considered.

Review of applications will begin on November 1, 2014, and will continue until the position is filled.

Address applications, nominations or inquiries to:
