**Interdisciplinary Fellowship in Substance Abuse Treatment**  
1-year full-time advanced training in substance abuse treatment

The goal of the Interdisciplinary Fellowship is to provide clinical and didactic experiences through which recent professional graduates from several clinical disciplines become more skilled in working therapeutically with substance abusers and become more familiar with the unique contributions that their professional disciplines provide.

We expect to have two positions for Social Workers for the 2014-15 year. All fellows must be U.S. citizens. The fellowship begins September 22nd, 2014.

**Social Workers must have completed a Master's Degree from a School of Social Work accredited by the Council on Social Work Education. Application due April 1<sup>st</sup>, 2014.**

We expect to select fellows within one month of the mailing deadline.

The Fellowship is Directed by John S. Baer, Ph.D.
