

FEATURED POSITION

Residential Social Worker – Cornville

Be an energetic, dedicated full-time Master's level **Social Worker** and join us in our Cornville, Maine program outside of Skowhegan. You'll work with youth exhibiting emotional, behavioral and/or developmental challenges utilizing individual, group, family and milieu treatment. Your duties will include psychosocial assessments; individual treatment planning; group therapy; classroom observation to gather information about a client's response to the environment; consultation with the treatment team; and social brokerage. Documentation requirements include timely submission of APS managed care entries for Maine clients, clinical documentation, and discharge and transition planning. All applicants must have at least a Maine state LMSW-cc or equivalent. LCSW or LCPC preferred. New graduates will be considered, and supervision is provided. Since 1960, Spurwink has provided mental health, education and residential services for children, adolescents, adults and families, and is one of Maine's largest employers. Apply today!

Live-in Residential Direct Care Team - Various Maine Locations

Spurwink Services is looking for teams of two individuals to live in a Spurwink home, be part of the treatment team for youth or adults, and teach them basic life skills, time and money management. Spurwink pays for housing, utilities and groceries, AND you'll earn \$75,000 - \$80,000 per year as a couple. We also provide you with a company vehicle to use during work hours. You will be providing continuity from day treatment facilities to the home, homework; guiding play time, meal time and bed time. You should be able to provide a nurturing environment, but have firm limit setting and behavior management skills. Many of our openings CANNOT accommodate couples wishing to bring their own children to live with them at the homes.

What does the ideal team look like? There is no set definition. Mother/daughter (over the age of 18), married couples or unmarried couples, partners, or friends are a few examples. As long as you qualify for the job, we want you to apply. High school diploma or GED required. You must have a valid driver's license, your own vehicle and a clean driving history for the past three (3) years. Placement depends on needs at the time of hire. Both members of the team must fill out separate applications. Relevant experience is helpful, but not necessary.

Educational Technician III - Chelsea, Cornville (Temp & FT) Programs

Our ideal full time, Maine DOE-certified Educational Technician III will be an integral part of the classroom, and should be passionate about improving the delivery of programming to our students, making therapeutic relationships and setting consistent limits. You will learn to think critically and work well as part of a treatment team through the school year and a seven week extended program. The exact classroom assignment of the candidate depends upon the skills and experience of the applicant pool. You must have, or be eligible for, Maine Educational Technician III certification by completing at least 90 credit hours of college work. Since 1960, Spurwink has provided mental health, education and residential services for children, adolescents, adults and families, and is one of Maine's largest employers.

School Based Clinician - Lewiston

Spurwink and Montello Elementary School have an immediate opening for a **School-Based Clinician** working with grades K-3. Our public school counselors provide mental health services to students with identified needs, from their office in the school. You'll work in partnership with the educational staff, helping students succeed in school and in life. We'll provide our new clinician with training and supervision to support licensing requirements and professional development. As our new **School-Based Clinician**, you'll provide individual and family therapy, and comply with documentation requirements. Experience with evidence-based practices is desired, and energy and creativity are essential. Applicants must be Maine licensed LCSW, LCPC, or their conditional clinical counterparts. Since 1960, Spurwink has provided mental health, education and residential services for children, adolescents, adults and families, and is one of Maine's largest employers.

Public School Counselor – Gardiner High School

Gardiner High School (MSAD 11) has an immediate opening for a School-Based Clinician. Our public school counselors provide mental health services to students with identified needs, from their office in the school. You'll work in partnership with the educational staff, helping students succeed in school and in life. We'll provide our new clinician with training and supervision to support licensing requirements and professional development. As our School-Based Clinician, you'll provide individual and family therapy, and comply with documentation requirements. Experience with evidence-based practices is desired, and energy and creativity are essential. Applicants must be Maine licensed LCSW, LCPC, or their conditional clinical counterparts.

Home Community Treatment Clinician - Westbrook, Auburn

As a Home Community Treatment Clinician, you'll provide family therapy to parents and their children experiencing serious emotional, behavioral or developmental challenges, in partnership with a Behavioral Health Professional (BHP). You should have training and/or experience with evidence-based interventions including, but not limited to, Trauma-focused CBT, CBT, and Collaborative Problem Solving. The candidate we hire will collaborate with the family, team members and providers, and be willing to work a flexible schedule to accommodate family members who need to be present for family-based treatment, as well as crisis and prevention planning. This is both a home and community-based service. A Master's degree in Human Services, Social Work, Counseling or Psychology is required, in addition to Maine licensure. LCSW, LCPC, LMFT or their conditional clinical counterparts will be accepted. Since 1960, Spurwink has provided mental health, education and residential services for children, adolescents, adults and families, and is one of Maine's largest employers.

Behavioral Health Professional - Randolph, Auburn & Portland

Our **Behavioral Health Professionals** work closely with Master's level clinicians from a strengths-based perspective, providing family therapy to parents and their children experiencing serious emotional, behavioral or developmental challenges. Expect to work a flexible schedule with occasional weekends to accommodate family members who need to be present for family-based treatment. You will also provide parent coaching and role modeling, and are expected to comply with billable hours expectations and documentation. The candidate we hire will receive competitive pay and benefits. We also offer incentives if productivity expectations are exceeded. This is both a home and community-based service. A Bachelor's degree in Social Services, Health or Education is required, in addition to a vehicle, valid driver's license and clean driving record for the past three years. The right candidate receives BHP training and certification post-hire if needed. Since 1960, Spurwink has provided mental health, education and residential services for children, adolescents, adults and families, and is one of Maine's largest employers.

Behavioral Health Specialist - Martin's Point Portland & South Portland

We have two (2) **Behavioral Health Specialist** openings, one at Martin's Point Health Care in Portland, and the other in their South Portland location. The BHS will work closely with primary care team members to provide brief, focused therapy sessions in a timely, seamless and coordinated fashion. The successful candidates will provide mental health and substance abuse assessments, individual and family counseling, facilitate group visits and lead psycho-educational groups. You will participate in results analysis of behavioral health screening tools, and coordinate and manage referrals for behavioral health conditions that require longer term intervention, among other duties. You must have a Master's Degree in Social work and be an independently licensed Maine LCSW. Have a minimum of two years' experience or appropriate training and supervision to provide behavioral healthcare. We also require a minimum of one year experience working in care planning for adults and families with behavioral health challenges. Please be able to demonstrate an ability to work cooperatively with families and other professionals on behalf of youth and their families.

Special Education Teacher - Casco

Spurwink's Day Treatment Program for adolescents seeks a Maine DOE-certified 282 (Teacher of Exceptional Students) Special Education Teacher. Our ideal Special Education Teacher will be a key component in our self-contained classroom, and should be passionate about improving the delivery of programming to our students, in small groups or individually. You will supervise Educational Technicians, and use a relational milieu therapy model through the school year and a seven week extended program. Experience working with children presenting emotional, learning and behavioral issues is desired, as is design of individualized programs for multi-handicapped students. Spurwink Services will support completion of Maine 282 certification for the right candidate. Since 1960, Spurwink has provided mental health, education and residential services for children, adolescents, adults and families, and is one of Maine's largest employers.

Research Assistant/Data Analyst (Part-Time) - Portland (Administration)

This 3-day per week position is part of our energetic and fun Research team, discovering the nature and outcomes of individuals with behavioral health and special education needs. We need a very analytical thinker who is unafraid of details but also knowledgeable and sincerely interested in the greater arena of social science research. The work includes reading, writing and presenting departmental work. The ideal **Assistant/Analyst** will perform literature searches and article reviews, and collect and analyze data. You must be able to work independently on multiple tasks simultaneously, and manage your time and priorities effectively. Excel in presenting information effectively in written, verbal and graphical formats, and be willing and able to travel to sites for data set-up, collection and troubleshooting. To qualify for this position, you must have a Bachelor's Degree in Health & Human Services or Social Services fields and have experience in human services. Proficiency with Word, Excel and relational database software, particularly Access (query & report design and data entry) required. Experience with InfoPath or other form design is desired.

Treatment Foster Parents – Your Home

Our Treatment Foster Care program seeks new and current foster families and respite providers to care for children with emotional, behavioral and/or developmental needs. This is a CONTRACTED position, not a fully employed position. Care for our clients in your home or apartment with the assistance of the treatment team. You'll have 24 hour access to consultation and support. Please have six (6) months of direct care experience working with children with special needs, as well as a high school diploma or equivalent.

Foster Care Support Specialist – Various Locations

Help Spurwink foster children build skills while you provide behavioral support in the foster homes and in the community. As a Foster Care Support Specialist, you'll supervise visits between foster children and their biological families, document the visits and report any concerns. Provide one on one support to foster children, and use positive role modeling and behavioral interventions with clients, biological and foster families. Please have a minimum of an Associate's degree in social services, health or education. Bachelor's degree preferred. Also have one or more years of experience working in an educational or social services environment, with direct contact with children, clients or families. We need one specialist each in the following areas: southern/western Maine, central Maine, and from Augusta to the mid-coast.
