JOB OPPORTUNITY POSTING**

Job Title: Cohen Ambassador

Employer/Agency: The Cohen Ambassador Program (CAP)

Job Description: With nearly 60 active civic associations, District C has one of the highest rates of neighborhood activism at the civic club level, and each group has its own ideas and concerns about the future of their community. This is where the Cohen Ambassadors—and hopefully you—come in.

The overwhelming civic participation in the District is encouraging, and your personal involvement can ensure that your community is heard and represented! As a Cohen Ambassador, you will have the opportunity to participate by attending Civic Club meetings, relaying information to the Council Office, and taking part in bi-monthly meetings with my staff and me.

There will be additional chances to help, including organizing community-based office hours for taking in constituent concerns, and assisting with other special projects.
