

Social Worker

Description: Qualified Candidates Must Possess 3 years post MSW experience in an acute care setting. This position is for the Emergency Room Monday - Friday 12pm - 8pm.

The Social Worker will assist in the facilitation of care across the continuum for selected patient care needs with a focus on the following:

- Evaluation of psychosocial needs, crisis intervention, development and implementation of appropriate, timely plans of care to include discharge planning.
- Ability to collaborate with case managers, physicians, staff, families and community referral bases to enhance optimal patient outcomes.
- Evaluation of plan of care with appropriate changes, based on plan outcomes.

Qualifications:

- Three years post MSW experience
- Master's degree in Social Work from a school accredited by the Council of Social Work Education.
- Current licensure by the State of Texas Board of Social Work examiners through the Texas department of Health
- Advanced certification by approved accreditation board preferred.
- Recent working experience with assigned patient population preferred

About Medical City:

Medical City Dallas is the flagship medical center for the North Texas Division offering a comprehensive range of inpatient and outpatient medical, surgical, specialty and behavioral medicine services. We are a 670-bed full service adult and pediatric hospital. We have physicians practicing more than 95 medical specialties. Medical City was the first hospital in North Texas to receive Magnet recognition, the most prestigious designation in the world for excellence in nursing services.
