

Job Title	Bi-lingual Therapist for Outpatient Community Health Center in Austin, TX and Surrounding Communities
Employer/ Agency	Lone Star Circle of Care
Job Description	LSCC seeks to hire Behavioral Health Therapists who are experienced working with the underserved population in a fast paced clinic setting. The ideal candidates are mission-focused; flexible with their time, work locations, and ability to provide coverage while working within a group practice; proactive; creative in problem-solving approaches; quality focused; see the provision of services to underserved populations as part of their career goals; and are comfortable working with a population who may have limited psychosocial resources. We provide appropriate behavioral health services for patients of all ages, from seniors and adults to adolescents and children. We employ a range of mental health professionals (LCSW and LPC) including child and adolescent, adult and geriatric therapists. The Therapist delivers excellent care and professional experience to the patients of LSCC appropriate for an out-patient, primary care community health center with multicultural, multilingual patient population.
Qualifications	<ul style="list-style-type: none"> • Relevant Master or Doctorate degree required • Current valid professional license to practice in respective field required • Current American Heart Association BLS – Health Care Provider course • Experience working in behavioral health and/or human services preferred • Bilingual/Medical Spanish is required
