## **Manager of Clinical Services**

Do you want to make a tangible difference in our community? Do you have the skills and enthusiasm to help women in crisis, make positive and sustainable changes in their lives? If yes, then this is the job for you! The Manager of Clinical Services is the primary leader of a compassionate, client centered, trauma informed team working in a multidisciplinary setting. You will be responsible for supporting and empowering your staff and the women we serve to do their highest and best work as they move thorough the journey of recovery. Essential duties include oversight of program administration, therapeutic services, and an exemplary internship program.

For over 60 years, The Women's Home has been helping women build whole lives. Thorough our WholeLife Model®, we address all aspects of a woman's life as she walks the challenging path of recovery. By working at The Women's Home, you will gain a wealth of experience and knowledge as it pertains to both mental health and substance abuse recovery. The Women's Home has strong roots in the past with a compelling vision for the future. Come make a difference with us.

Masters Degree in Social Work and LCSW required. Five to 7 years of clinical experience and 3-5 years of supervisory experience required. Experience with substance use disorders is highly valued. A sense of humor coupled with a compassionate heart are critical to success in this role. Salary commensurate with experience, benefits package included. Opportunities for career advancement. Please send cover letter and resume to [syoung@thewomenshome.org](mailto:syoung@thewomenshome.org).
