

Job Title	Clinician II (LCSW, LPC or LMFT)
Employer/ Agency	<i>CONTINUUM INTEGRATED</i>
Job Description	The successful applicant is a team player, with outstanding assessment, treatment and documentation skills. Clinicians are responsible for documentation and treatment planning. A thorough understanding of a range of interventions including individual, family and group therapies. Commonly used techniques are cognitive behavioral, psycho-education, and creative treatment approaches such as play therapies, art therapies and behavioral management.
Qualifications	A minimum of 5 years experience treating behavioral problems in children and teen-agers preferably in a medical model. Strong diagnostic, documentation & organizational skills. Bilingual a plus.
Salary/Hours	Salary \$55,000-\$62,000/10:00am-6:00pm Tues, Wed, Fri 12PM – 8PM Mondays and Thursdays and 1 Saturday per month
Employer/Agency	We are a Nationally Accredited Behavioral Healthcare Organization working with children and teens with mild, moderate and severe behavioral problems. The usual age range of our kids is 4 through 17. Selected adult patients are also treated for emotional problems that interfere with day to day functioning. Children or adults with more severe or problematic behaviors are admitted to our on-site Partial Hospital Programs. Most patients are newly diagnosed by our clinicians & subsequently by the child and adult psychiatrist. Some patients are treated in school environments as scheduled or in our outpatient setting.
