

### ***mPowerment Programming Coordinator***

**Legacy's Mpowerment program**, commonly known as ***mSociety***, has a Program Coordinator position open. A strong candidate would have experience directly with the gay community, experience utilizing social media for community programs, and some experience in community engagement would be amazing but not mandatory. mSociety primarily serves young Black gay men in the Houston area within the age range of 18 – 29 years old through personal and professional development while providing HIV prevention and empowerment resources and services.
