**University of Houston
Graduate College of Social Work
JOB OPPORTUNITY POSTING**

Job Title: Associate/Full Professor

Employer/Agency: University of South Florida

Job Description: The University of South Florida, School of Social Work invites applications for an Associate or Full Professor, nine-month tenured position. We encourage applicants who are interested in joining our scholarly faculty in educating social work professionals and contributing to priority areas of research emphasizing behavioral health, children and families, veteran's issues, trauma, aging, forensic social work, sub-stance abuse or other relevant areas. As part of the College of Behavioral and Community Sciences, members of our faculty engage in innovative behavioral interdisciplinary and translational research focused on finding solutions which lead to improvements in the quality of life, health and the safety of diverse populations. The responsibilities of this position include: teaching doctoral and graduate level courses in Social Work; directing Ph.D. student research and dissertation studies; and providing leadership in scholarship, research, grantsmanship, and service. Salary is commensurate with experience. See website for USF and School of Social Work descriptions: <http://socialwork.cbcs.usf.edu>. Members of underrepresented groups are encouraged to apply. Review of applications begins immediately.

Qualifications: MSW from a CSWE ac-credited graduate program plus a DSW or Ph.D. in Social Work or a related field; evidence of 5 years of strong university/college teaching, established record of federally-funded research; strong record of scholarly activities; experience directing Ph.D. student research and dissertation studies; qualifications commensurate with an appointment at the Associate Professor level.

Preferred Qualifications: Current federal funding, leadership experience in scholarship, research, grantsmanship, and service; expertise in a research program emphasizing behavioral health, children and families, veteran's issues, trauma, aging, forensic social work, sub-stance abuse or other relevant areas; two years of post-MSW practice experience.

Salary/Hours: DOE

Employer/Agency: University of South Florida School of Social Work
City, State, Zip: Tampa, FL

Application Method: Applications should include: a cover letter detailing the applicant's qualifications for the position; a description of the applicant's research program and any obtained or pending external funding; full contact information for at least three references (approval to contact references is assumed unless otherwise stated); a current curriculum vita; student evaluations of teaching; and a maximum of three reprints of representative publications. Applicants must apply for these positions through the USF online employment application system Careers@USF https://employment.usf.edu/applicants/jsp/shared/Welcome_css.jsp (view the positions for the College of Behavioral and Community Sciences, School of Social Work, position 6646). The position is open until filled, however the review of applications will begin immediately. If you have any difficulties submitting your application, please contact Human Resources at USFCareersHelp@admin.usf.edu.

Opening Date: Fall 2013
