

Job Title	Assistant Professor-Older Adults and Family
Employer/ Agency	Boston College
Job Description	The Boston College Graduate School of Social Work is looking for a tenure track faculty member who will further enhance the school's expertise in social work with older adults and their families. Boston College has recently been named a Hartford Center of Excellence in geriatric social work and the university is home to three nationally renowned research centers addressing important issues of aging. Two of those research centers reside in the School of Social Work complementing the vibrant community of engaged social work researchers and faculty whose work has both global significance and local impact. The school seeks faculty candidates committed to an active interdisciplinary research agenda examining the social and behavioral importance of increased longevity. The ideal candidate is also expected to mentor students in geriatric social work research and practice.
Qualifications	Candidates must possess a commitment to teaching, research and scholarly publication, including capacity for obtaining external funding. Preference will be given to candidates who hold and MSW and Ph.D. in Social Work or related position.
