

Job Title	Lead Social Worker
Employer/ Agency	Renal Ventures Management, LLC
Job Description	The individual in this role is responsible for planning and directing all patient related social service activities on a national basis. The Lead Social Worker works with the Director of Corporate Operations and Director of Reimbursement to develop, execute and monitor all social service related activities and programs, including but not limited financial waiver, entitlement, and psychosocial programs, through the local social workers and available staff. This individual provides ethical, safe, effective, and compassionate care that is consistent with the State, Federal and Company guidelines, and Company policies and procedures.
Qualifications	To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. Masters Degree in Social Work from a social work school accredited by the council on Social Work Education. Current, valid license as required by state regulations. Prior proven experience and expertise in End Stage Renal Disease minimum of 3 years experience. Must have extensive knowledge of renal state and federal guidelines as they pertain to Social Work and business operations. Prior experience supervising direct reports or influencing reports outside of direct reporting relationship. Intermediate computer skills, MS Office, specifically Excel and PowerPoint. Strong focus on details and delivery of results while maintaining patient and staff satisfaction. Demonstrated high degree of professional ethic and knowledge of confidential and regulatory compliance practices (HIPPA, etc.). Must possess outstanding communication and interpersonal skills. Must be able to communicate professionally and effectively with other staff members, patients and physicians. Able to read and interpret documents such as safety rules, operating and safety instructions, procedural manuals, and conditions of coverage. Ability to travel approximately 50%. Works with minimal supervision to promote and support Company goals
