

Job Title	Assistant/Associate Professor- Social Entrepreneurship
Employer/ Agency	SUNY-University of Albany
Job Description	<p>The School of Social Welfare at the University Albany seeks to fill a tenure track position in the area of social entrepreneurship and social work macro practice. Social entrepreneurship draws upon thinking and approaches from the for profit, not-for-profit and governmental worlds to further social, cultural and environmental goals and pursue solutions to social problems.</p> <p>This is an assistant/associate professor tenure track position. We are recruiting scholars who are interested in advancing scholarship in the area of social entrepreneurship and social work macro-practice and in contributing to excellence in the preparation of students at all academic levels (Baccalaureate in Social Work, MSW, and PhD).</p> <p>Preference will be given to scholars with interests in one or more of the following areas:</p> <ul style="list-style-type: none"> •Programs supporting entrepreneurship, including character-based microloans for low income and diverse populations •International organization and NGO roles in building successful businesses in less developed regions and challenged communities •The connection between economic and social development •Macro and micro issues in the funding and delivery of social entrepreneurship initiatives, and/or •The application of private enterprise/for profit principles in governmental/not-for-profit sectors <p>This position is funded to support SUNY, UAlbany and School of Social Welfare work on social and economic development for the region and applicants must therefore demonstrate a beginning track record of funded research.</p>
Qualifications	Applicants must have a Ph.D from a college or university accredited by a U.S. Department of Education or internationally recognized accrediting organization, and a beginning track record of funded research and involvement in social entrepreneurship initiatives. An MSW is required and two years post-master's experience is desired. Applicants must show commitment to excellence in scholarship, teaching, and service and address in the application their abilities to work within a culturally diverse environment and to prepare students to work effectively in a world of increasing diversity.
