MSW Field Director

Position# 18392000

Required qualifications include an MSW degree from a CSWE accredited program, plus three to five years of professional social work experience (post MSW). Applicants must also show potential for excellence in teaching and mentoring, a commitment to student growth, an interest in university service, evidence of professional development, excellent communication and interpersonal skills, and a commitment to the social work profession and practice.

Ideal candidate will have full-time experience teaching and/or administration of field education, experience in supervising student field placements, interest in scholarship in field education and/or curriculum development, teaching practice courses, membership in professional social work associations, writing, securing and administration of grants experience, commitment to learning and collaboration with community agencies, and interest in using technology in field education.

Associate Professor

Position# 18296

Must hold an earned doctorate degree in social work or a related field, and an MSW from an accredited social work program; have a minimum of two years post Master's experience; show evidence of an established record in teaching, research, scholarship and service at the macro level, commensurate with teaching in a graduate program; and have experience in administration and community-based practice. For consideration as MSW program director, the applicant must show evidence of administrative skills, familiarity with CSWE accreditation standards, program design and evaluation, knowledge of computer information systems, effective communication and interpersonal skills.
