The UTSA Department of Social Work, the first publicly funded graduate social work program in San Antonio, began in 2005 with 17 MSW students; current MSW student enrollment is more than 200. Capitalizing on its location in San Antonio and its commitment to South Texas, the Program offers a single concentration in cultural competence. The Program's mission is to develop socially responsible, culturally competent social work professionals within a transformative and global context. The UTSA MSW Program was accredited by the Council on Social Work Education in 2008. The vast majority of our students are working professionals with considerable diversity in life experience and ideas. More details about the Program can be found at <http://copp.utsa.edu/>
