

EXPERIENCE TRAUMA EXPERTISE

It's about the continued pursuit of new knowledge to better manage the care and treatment of trauma patients.

The conference is designed to provide registered nurses and other healthcare professionals with current information on the management and treatment of various types of trauma. Participants will be able to incorporate this knowledge into their clinical practice setting to ensure appropriate and timely care for trauma patients.

NOTE: Participants must be on time and attend the entire conference to receive CE credits.

Continuing Education is applied for: Nursing, Social Work/Services, EMS, Physical Therapy/Occupational Therapy and Respiratory Therapy

**Early Bird Registration Deadline:
