

**After the Storm: How to  
Effectively Help  
Clients Move Forward  
Post-Disaster Trauma**

**(3 CEU'S)**

**Upon concluding this course,  
participants will be able to:**

- ☐ Identify the three basic theories and models for working with victims of disaster.
- ☐ Apply the three stages of principle-driven strategies for early intervention.
- ☐ Identify the problems with carrying out the intervention.
- ☐ Identify tools to assist with this need.
- ☐ Be knowledgeable about self-care needs for the provider.
