

<b>Job Title</b>	Part-Time Licensed Clinician
<b>Employer/ Agency</b>	Positive Impact Therapeutic Services
<b>Job Description</b>	<p>We are seeking a dedicated, fully licensed clinician to join our team on a part-time basis. This position is ideal for clinicians looking to supplement their income, start their own practice, or those who already have a full-time job but are interested in guaranteed income and flexible hours. While this role will involve a small number of private practice clients (less than 5), the primary focus will be working with teens facing behavioral challenges in residential treatment centers.</p> <p>As a part-time clinician, you will have the flexibility to manage your schedule, though you will be required to align with the treatment center's hours and schedule. This hybrid position offers a stable income with guaranteed hours, making it a great opportunity for those who want to supplement their existing work or gain experience in a new setting while building their own practice.</p> <p>Key Responsibilities:</p> <ul style="list-style-type: none"> <li>• Provide individual therapy and group therapy to teens in residential treatment centers.</li> <li>• Manage a caseload of clients with behavioral issues, offering evidence-based therapy and treatment planning.</li> <li>• Collaborate with multidisciplinary teams at treatment centers to ensure comprehensive care for clients.</li> <li>• Conduct progress assessments, maintain clinical documentation, and ensure timely completion of all paperwork.</li> <li>• See a small number of private practice clients (less than 5), ensuring high-quality care and client satisfaction.</li> <li>• Adhere to the treatment center's policies and procedures while maintaining flexibility in work schedule.</li> </ul>
<b>Qualifications</b>	<ul style="list-style-type: none"> <li>• Fully licensed clinician (LPC, LMFT, LCSW, etc.) in good standing with the state licensing board.</li> <li>• Experience working with adolescents and/or in residential treatment settings preferred.</li> <li>• Strong ability to work independently while collaborating with a team.</li> <li>• Compassionate, patient, and dedicated to helping teens overcome behavioral challenges.</li> <li>• Ability to work flexible hours, with guaranteed hours at residential treatment centers.</li> <li>• Comfortable with a hybrid work model (some private practice, primarily residential treatment center).</li> <li>• Cultural competency and an understanding of the unique challenges and experiences faced by Black youth and families are highly valued.</li> </ul>
