

<b>Job Title</b>	Clinician I/II - HCPC
<b>Employer/ Agency</b>	UT Health's Harris County Psychiatric Center
<b>Job Description</b>	<p><b>Position Summary:</b></p> <p>Provides professional case management and clinical therapeutic services in an acute care psychiatric hospital focused on overseeing the care of patients from admissions through discharge.</p> <p><b>Position Key Accountabilities:</b></p> <ol style="list-style-type: none"><li>1. Provides indirect services to patients. Acts as an advocate for the patient/family with the treatment team.</li><li>2. Provides direct services to patients including: biopsychosocial/psychosocial assessment, discharge planning, and treatment that includes: individual, group and family therapy, crisis intervention and treatment planning.</li><li>3. Provides oversight of patient's care, progress in treatment, and progress toward discharge in order to prevent both the over-utilization and the under-utilization of inpatient treatment services. This is accomplished through feedback to and from the patient, significant others, the treatment team, and UR and community resources.</li><li>4. Works with a multidisciplinary treatment team to develop an individualized treatment, and a discharge plan that enables patients to quickly return to outpatient treatment programs. Works closely with physicians in identifying diagnoses to assist in the treatment process. Develops a discharge plan that will support patient's ongoing recovery and development.</li><li>5. Assesses the psychosocial functioning of patients at admission and throughout the treatment program; conducts interviews with patients and significant others to determine assets as well as challenges to optimal patient functioning both while in the program and upon discharge to a lesser restrictive level of care.</li><li>6. Establishes and maintains relationships with community resources to assist patients medical needs at discharge for on-going treatment, residence, financial</li></ol>

	support, transportation, education, and vocational rehabilitation.
