

Job Title	Social Worker, BSW, Psychiatry/Behavioral Science (TCHATT)
Employer/ Agency	UTMB TCHATT Program
Job Description	<p>The Social Worker BSW intervenes with patients who have complex psychosocial needs, economic co-morbidities, require assistance with eligibility determination for social programs and funding sources, and qualify for community assistance. To promote patient-centered care, the Social Worker BSW provides care that is respectful of and responsive to individual patient preferences, needs, and values, and ensures that patient values guide all decisions. Supports compliance with treatment protocols, and assists with resource linkage as part of a multidisciplinary healthcare team.</p> <p>Fulfill duties associated with the TCHATT and CPAN projects through the Department of Psychiatry. Duties will include acting as a liaison with TCHATT providers to locate behavioral health resources to facilitate transition of care of patients from TCHATT to community providers, and to triage calls from Primary Care Providers enrolled in the CPAN project. Supports compliance with treatment protocols.</p>
Qualifications	Bachelor's degree in Social Work; no experience required. Must be licensed to practice as a Social Worker in Texas (LBSW).
