The degree plan is void if attendance is interrupted for more than one calendar year. Course work shown on this degree plan may not be applied toward a doctoral degree. The degree plans cannot be signed if there are blanks remaining on this form, if all applicable post-baccalaureate credits have not been changed to graduate credit, or if any requests for transfer credit have not been evaluated. Once the degree plan has been signed, changes must be made by filing a general petition. REV 06/18
