---

### Please consider when choosing electives:

- Students are responsible for ensuring that they meet all course pre-requisites prior to enrollment. Failure to meet course requirements may result in students being dropped from courses without a refund.
  - \*Courses taken outside the College of Technology may require assistance registering. Please contact the department offering the course for permission to enroll.
  - \*\*These courses are highly technical and may require academic leveling. Please consult with the Faculty Advisor prior to registering.
  - ^Enrollment in CNST courses requires prior approval. Please contact the department before enrolling.
  - No more than 12 credits earned outside of the ILT department (CIS, SCLT or TEPM) may be applied towards a degree plan. If your directed area of study is outside of the department and you would like to take electives outside the department, you will need to submit:
    - General Petition to request more than 12 credits be taken outside the department and identify the courses taken outside the department on the petition.
    - Submit a copy of your degree plan with the petition
- 

Please contact your Graduate Advisor at [cotgrad@uh.edu](mailto:cotgrad@uh.edu) to finalize your degree plan by the end of your first year in the program. You will need to know your directed area of study as well as your electives to finalize your degree plan.
