

CORE 2014: Applicability of UH Core Fall 2014

Effective: July 28, 2014

In consideration of the implementation of the new Fall 2014 Core please know that the current procedures for Core credit and enrollment continue to apply.

There are no changes to the procedures of the applicability of Core.

This means that:

- ✓ Students entering under the Fall 2014 catalog/degree plan are to enroll in Core courses under the Fall 2014 Core list.
- ✓ Continuing students are to enroll in Core courses under their established Core lists as guided by their designated catalogs/degree plans.
- ✓ Students who are not yet Core complete may, after consultation with their academic advisor, elect to switch to the Fall 2014 Core (Fall 2014 catalog/degree plan).

Under [THECB Core guidelines](#) any student who first enrolled in an institution of higher education prior to Fall 2014 shall, after consultation with an academic advisor, have the choice to:

- (i) complete the core curriculum requirements in effect in Summer 2014; or
- (ii) transition to the Fall 2014 core curriculum requirements, in which case, previously completed core curriculum courses shall be applied to the current core curriculum requirements under the same terms as those that apply to a student who transfers from one institution to another. The student shall then complete the remaining requirements under the Fall 2014 core curriculum.
