RE: Fall 2014 CORE
UH Courses Statement of Accommodation for Core Applicability

Effective: June 10, 2014

The UH courses listed within this memo are not currently listed on the Fall 2014 UH Core approved course list. Accommodation is provided under THECB: Texas Higher Education Coordinating Board Rule [Chapter 4, Subchapter B 4.28 k](#). The equivalent of these identified courses are approved Core courses under the same specific foundational component area requirement at five or more other Texas public universities.

Academic year applicable: Fall 2014 – Summer 2015

The following listed UH courses are approved by the UH Undergraduate Committee Core Curriculum sub-committee for interim accommodation of applicability toward the UH Core Curriculum for the Fall 2014 academic year. A request was submitted to Enrollment Services to program these courses into the Degree Progress Report (DPR) to “auto-spill” for the appropriate Core designation.

UH CORE COURSE	UH CORE Designation	UH TCCNS
MATH 1313	Math (020) Math/Reasoning (090)	MATH 1324 Math for Business & Social Sciences I (Finite Mathematics)
MATH 1314	Math (020) Math/Reasoning (090)	MATH 1325 Math for Business & Social Sciences II (Business Calculus)
PHYS 1306	Life & Physical Sciences (30)	N/A (ASTR1303/PHYS1403 Stars and Galaxies)

Memo expires: end of academic year Fall 2014, pending UH Core approval cycle for Fall 2015
