Faculty Undergraduate Advisor

RECEIVED OCT 25 2005

Subject: Anthropology Course Inventory Reduction

APPROVED DEC 07 2005

The Department of Anthropology wishes to have the following courses removed from our course inventory/catalog listing. The justification is the faculty member that has taught these courses has retired and we will not be replacing this subject area with faculty that has expertise in this subject area and can teach these courses.

ANTH 3355 Anthropology of Warfare and Terrorism ANTH 4333 Technology and Human Problems
ANTH 4338 Culture, Health, and Environment
