Assoc. Dean, College of Technology

**Date:** 9/30/2002

**Re:** Construction Management Technology minimum grade requirement

---

## Construction Management Technology Program

### Minimum Grade Requirement:

It is proposed by the faculty to introduce the following minimum grade requirement in this program: *"Students majoring in Construction Management Technology must achieve a minimum grade of C- or better in all junior and senior level courses within the "Major Requirements" portion of the degree plan."*
