The department of Communication Sciences and Disorders (COMD) is interested in making available a minor in our discipline. I have used the following guidelines to outline the minor:

CLASS Minors - Minimum Requirements

Minimum requirements for a minor in CLASS are:

1. Fifteen semester hours of which nine must be advanced.
2. Nine semester hours in residence of which six must be advanced.
3. A 2.00 cumulative grade point average on all courses attempted in the minor field at the University of Houston.

The next page outlines the minor. If I need to do anything else, please let me know. If it is ready to go, I'd appreciate it presented at the next meeting for approval.
