Q

Memorandum

To: Marsha Daly, Asst. Dir. Academic Program Mgmt.

From: Ian Evans, Associate Dean, NS&M

Subject: CLEP Credit for MATH courses

Date: 31 January 2007

The NS&M Curriculum Committee has approved the request by the Department of Mathematics to allow credit for the listed mathematics courses for students with passing scores on the corresponding CLEP tests. Upon approval by the Undergraduate Council these courses should be added to the appropriate section of the Undergraduate Catalog.

MATH 1312: Introduction to mathematical reasoning CLEP College Mathematics

MATH 1330: Pre-calculus CLEP Pre-calculus

MATH 1431: Calculus I CLEP Calculus

cc: Dr. C. Peters, MATH
Dr. Jeff Morgan, MATH

DEPARTMENT OF MATHEMATICS
MEMORANDUM

To: Curriculum Committee, NS&M,
Undergraduate Council

From: Charles Peters 

Date: January 10, 2007

Subject: Catalog Change – CLEP Credit

The Department of Mathematics will allow credit for the following courses for students with passing scores on the corresponding CLEP tests. Page 29 of the current Undergraduate Catalog should be changed to show the addition of these options.

MATH 1312: Introduction to Mathematical Reasoning

CLEP College Mathematics

MATH 1330: Precalculus

CLEP Precalculus

MATH 1431: Calculus I

CLEP Calculus
