SUBJECT   **UC 9243 07S**

DATE: February 12, 2007

The Academic Policies and Procedures Committee met on Wednesday, February 7, 2007 to discuss a credit by examination proposal from the Department of Mathematics. Committee present: Charles Peters, Maria Solino, Lane Gauthier, Simon Bott, and Rebecca Achée Thornton.

The Natural Science and Mathematics Curriculum Committee has approved a request by the Department of Mathematics to allow students with passing scores on the following CLEP exams to apply credit to the following courses.

Test	Credit allowed for
CLEP College Mathematics	MATH 1312 Introduction to Mathematical Reasoning
CLEP Pre-calculus	MATH 1330 Pre-Calculus
CLEP Calculus	MATH 1431 Calculus I

The following language should be added to page 29 of the Undergraduate Catalog (new language bold):

Course	Test	Minimum Score	Hours Credit
MATH 1310	CLEP: College Algebra	50	3
MATH 1312	**CLEP: College Mathematics**	**50**	**3**
MATH 1313	Departmental Exam	13	3
MATH 1314	Departmental Exam	20	3
MATH 1330	Departmental Exam **or** **CLEP: Pre-calculus**	20 **50**	3 **3**
MATH 1431	AP: Calculus AB **or** AP: Calculus BC **or** Departmental Exam **or** **CLEP: Calculus**	3 3 3 **50**	4 4 4 **4**

The committee recommends approval.
