APPROVED APR 18 2007

MEMORANDUM FOR THE UH UNDERGRADUATE STUDIES COMMITTEE

FROM: AFROTC Detachment 003
University of Houston
3855 Holman St, Garrison Rm 109F
Houston, Texas 77204-5048

SUBJECT: Request to Change Name of Air Force Science Minor

1. Air Force ROTC would like to change the name of our approved minor from Air Force Science to Air Force Leadership.
2. This change more accurately reflects the content of our course material, which is heavily focused on leadership and preparing students for their role as Air Force Officers. This change also allows us to stay in coordination with the Military Science Department (Army ROTC) and their change of minor to Military Leadership.
3. Thank you for considering this change. For questions please contact me at 713-743-3707/4932 or at pbossert@uh.edu.

Very respectfully

BOSSERT.
