RECEIVED OCT 15 2007

APPROVED NOV 14 2007

EFFECTIVE:

FALL 2008

To: Sarah Fishman, Associate Dean
College of Liberal Arts and Social Sciences

From: John Reed, Director
School of Art

Date: September 27, 2007

Subj: **Discontinuing the B.F.A. in Studio Art - Printmaking**

The School of Art has not accepted students for the Bachelor of Fine Arts program with a major in Studio Art – Printmaking in many years. Our research indicates that the last semester the School taught one of the required Senior Printmaking Major courses was Fall 1993.

During preparations for the PeopleSoft conversion for academic systems, we submitted a corrected major/degree table in February 2005 requesting deletion of the Bachelor of Fine Arts, as well as the undergraduate NDO, in Studio Art – Printmaking. We had thought this effectively ended this major.

However, we discovered that additional formal steps are necessary to discontinue this major. The end date should be as soon as possible so that the Texas on-line application can be updated to eliminate misleading information to potential students.

Thank you for your assistance in moving this official request forward.
