Additional Course Policies and Procedures:

The following information is designed to help the class run smoothly. The instructor reserves the right to make additions and adjustments as necessary.

Required Texts

There are no required texts.

Description of Course

This course requires students to participate in school-based field experiences, including observation and practice teaching. This is the first field experience for students intending to be certified to teach grades 8-12. Field Experiences will be described in more detail in a required orientation.

Objectives of the Course

Upon successful completion of this course, the students will have

- completed 20 hours of field experience in an 8-12 setting, as described by the required orientation
- successfully planned for and conducted practice teaching activities

Course Requirements

There are three main components to the course:

- Attendance at required Orientation
- Sign-up for appropriate field experiences
- Punctual attendance at and informed performance for field experience activities

COLLABORATION

FOR LEARNING & LEADING
