RE: CLASS degree requirements for new BA in Liberal Studies
Date: 23 March 2009

The College's Undergraduate Studies Committee has approved a change relating to the proposed new Bachelor of Arts degree in Liberal Studies. Normally all students earning a Bachelor of Arts degree in the College must complete, in addition to the Core, 9 hours of coursework in three fields of study offered by the college that are outside the student's major, in addition to the core, and in addition to the BA degree's foreign language requirement. (See the College's Bachelor of Arts Degree requirements, no. 2 on the list).

This requirement was intended to ensure some breadth of coursework in our BA students. Given the interdisciplinary nature of the proposed BA in Liberal Studies, the College Undergraduate Studies committee has agreed that the 9 hours above are not necessary and will be waived for Liberal Studies majors.

The waiver can be included in the new BA catalogue language, or added as letter d under requirement 2 above.
