Additional information regarding CBM003 form for HDFS 4319: Theory and Practice in Programs for Young Children II

This CBM is submitted to add a prerequisite: HDFS 4317. Under current prerequisites, it is possible for students to be concurrently enrolled in HDFS 4317 while enrolled in HDFS 4319. This has proven to be difficult because the content and skills learned in HDFS 4317 are necessary prerequisites to successful performance in HDFS 4319.
