Additional information regarding CBM003 form for HDFS 4394: Internship in Human Development and Family Studies

This CBM is submitted to add a prerequisite: HDFS 3350. Under current prerequisites, it is possible for students to be concurrently enrolled in HDFS 3350 while enrolled in internship HDFS 4393/HDFS 4394. This has proven to be problematic because the analytic and observational skills learned in HDFS 3350 are necessary prerequisites to successful performance in the internship courses.
