Re: Addition to catalog language

RECEIVED OCT 14 2009

APPROVED NOV 18 2009

Proposal for addition to catalog language.

Under "Admission of Transfer Students to the Moores School of Music" add the following:

Transfer students in composition must have a cumulative 3.25 GPA in all previous music theory, aural skills and composition course work in order to be accepted into the composition program. Transfer students in music theory must have a cumulative 3.0 GPA in all freshman and sophomore level theory and aural skills courses to be fully admitted to the music theory program in the junior year and a cumulative GPA of 3.25 in all theory courses to graduate.

Justification:

This clarifies that our present policy for our students also applies to incoming transfer students.
