College of Technology

APPROVED NOV 18 2009

RECEIVED OCT 15 2009

Memo

To: Chair, University Undergraduate Council
From: Neil Eldin, Director of Construction Management Program 
CC: Fred Lewallen, Associate Dean for Academic Affairs
Date: 10/15/2009
Re: Requirements for earning a Minor in Construction Management

To satisfy the requirements for earning a minor in Construction Management, a student must pass the following courses with a grade of "C" or better while completing another undergraduate degree at the University of Houston:

1. CNST 2341 – Construction Documents
2. CNST 2351 – Construction Estimating-I
3. CNST 3331 – Construction Planning & Scheduling
4. CNST 3351 – Construction Estimating-II
5. CNST 4302 – Construction Law & Ethics

Note: Students from the College of Architecture have consent of instructor to take CNST 2341 and CNST 2351 once they have completed ARCH 2325 or ARCH 2326.
