The committee met via e-mail. Members participating in the discussions: Amanda Baumle, Dennis Bozeman, William Munson, Charles Peters, Ruxandra Prodan, Kevin Simon, Louis Williams, Djunana Young and Simon Bott.

The committee recommends approval of:

UC 10823 10S: BS in Nutrition – Change in Requirements for One Part

Changes such that all students entering the nutrition program are automatically placed in the non-accredited nutritional science track. Admission into the accredited dietician track is then limited by performance in science and nutrition classes. This results in better infrastructure and more appropriate education depending on student career goals.
